Dear Community,

The health and safety of Black Swan Espresso community is our highest priority. As coronavirus (COVID-19) continues to spread, we think it is in the best interest to limit social interaction. That being said, Black Swan Espresso is closed temporarily as a precautionary measure to reduce virus exposure, effective today at 3 pm. Also, all catering is suspended until further notice!

We will keep you updated via social media and email when we think it's safe to reopen.

We appreciate your continued support. Stay safe and in good health.
